Recap/Introduction

-Mark 10:17-27 (make some recap comments)

-Sabbath (make some recap comments)

-Acts 1:1-5

-(show timeline)

- Work through timeline
- Salvation and Holy Spirit Baptism separate
- Salvation is not sufficient for our purpose
- Consider everything disciples already had done and witnessed!!!!

-Acts 1:6-8

- Compare to moment Moses had to intervene...
- The disruption of Jesus redirecting our concerns and values!!
- There is a new freedom...another Kingdom!!!!

Holy Spirit baptism is the disruption and reordering of the seats of power and influence in your life. I like to call it a spiritual chiropractic experience whereby the Holy Spirit is repositioned to become the dominant influencer of your will.

(use boardroom analogy)

-Experience vs. Encounter

- **Acts 9:3-8/Acts 22:6-10/Acts 26:12-18**

Shared Experience

-Acts 2:1-4

-(mention Paul Johansson sermon)

-text says the Holy Spirit first “filled the house”

-Pastor Paul’s air conditioning analogy

-1 Corinthians 14:22-25

-every Saturday...we want to be a “filled house”

Personal Encounter

-Acts 2:1-4

-(show timeline again)

- Each one a John 20:22 moment (vow of devotion)
- I am at one with God...
- Born into God’s family!
- Water baptism (**Acts 2:38 / Acts 10:47-48**)

-Acts 4:23-24a, 31

-Holy Spirit Baptism is a personal encounter and is the beginning of a lifetime of moments being filled afresh and anew.

-One word = Amplified... (talk here about my personal experience)

Band

-There is the person whose primary gift to the Body of Christ is a prophetic ministry of declaring a message from God that must be accompanied by an interpretation...this may not be your calling. (1 Corinthians 12:29-30 ref.)

-There are moments when people are compelled by God to be an instrument of His being manifested to the world...this may not happen to you. (1 Corinthians 12:7,11 ref.)

-There is the ability to express ourselves to God in times of prayer and worship unencumbered by human intellect and earthly language...this is for us all. (1 Corinthians 14:18 ref.)
